

## Mid Level 3D Animator Wanted

DHX Media Studio (Halifax) Ltd., based in Halifax, Nova Scotia seeks a stellar 3D Animator possessing extensive experience and knowledge of the principles of character motion to join our growing team. A strong working knowledge of Maya is a must. Our studio's environment is fast-paced and committed to creating high quality animation. Candidates should thrive as part of a team and take direction well.

### **Description:**

The Mid-Level 3D animator works with a talented team of CG artists to produce a high quality CG Children's series. The animator is responsible to produce 3D animation using Maya software. They work from the Storyboards to assemble shots of varying complexity, including shot framing, character blocking, camera moves and maintaining shot-to-shot continuity under the direction of the Animation Director. The 3D Animator strives to create high quality key-framed animation and possesses a strong sense of posing, timing, and weight.

### **Responsibilities:**

- To produce high quality 3D animation.
- Capable of working independently as a self-motivated person with strong time management skills.
- Able to work with strict deadlines and meet assigned weekly animation quotas and expectations.
- Being responsive to animation direction to revise submitted animation in order to obtain approved status.
- Working collaboratively in a team environment to assist in the development of other animators and the betterment of the show
- Continuously improving abilities and skills through knowledge of current and latest animation techniques.

### **Qualifications include:**

- Proficiency in basic principles of animation and performance.
- Three or more years of production experience working with Maya or other professional animation software.
- Knowledge of television production pipeline.

- Ability to set an example for all team members by demonstrating strong work ethics, quality of work, teamwork, motivation, and solid leadership.
- Being a Canadian citizen or have Landed Immigrant status in Canada.
- Ability to demonstrate your expertise in 3D animation through your website is essential.

**Reports to:**

- Director

**Working Conditions:**

- Fast paced animation studio located in Halifax, Nova Scotia.

**To apply:**

If you think YOU could be a fit please send us the following via email to [work@hfcprod.com](mailto:work@hfcprod.com) typing: "CG Animator" in the email's subject line:

- **A cover letter/email; explaining why you want to work here.**
- **Your resume, highlighting your relevant experience, skills and salary expectation.**
- **A link to your on-line portfolio with the reel breakdown. Note: Applications submitted without an online portfolio will not be considered.**

We appreciate your interest; however only those applicants selected to proceed in the process will be contacted.
